

April 16, 2019

[3D Printing Materials Conference, 6th edition](#)

&

[3D Printing Design & Engineering Conference, 4th edition](#)

Brightlands Chemelot Campus Sittard-Geleen, The Netherlands

SPONSORING PACKAGE

Two Focused 3D Printing conference and expo in one day

In one days 2 major subjects will be covered.

Each with the following topics:

3D Design & Engineering Conference (16 April 2019):

- Visualisation tools, and 3D design & 3D engineering tools
- Value Engineering
- Topology Optimization
- Validation
- IP, liability, legal and technical issues
- Reverse engineering of 3D products
- Postprocessing / AMES (Additive Manufacturing Execution Systems) / (MES (Manufacturing Execution Systems)
- Blockchain

3D Printing Materials Conference (16 April 2019):

- Polymers (New materials)
- Application of polymers in 3D Printing (from standard to high quality / high risk)
- Multi material polymer 3D Printing

Target groups

Any person involved in developing products using 3D printing, from designer to engineer, from researcher to 3D printer manufacturer and from material manufacturer to software developer.

Communication

Extensive communication about the Expo and the three dedicated conferences will take place via various channels. Exposure for partners and exhibitors will be attained via direct e-mailing to an extremely top-quality and exclusive database.

We will communicate about the event in the following ways:

- Conference and Expo websites and news sections
- Twitter
- Facebook
- LinkedIn
- Several newsletters which we be sent out from January 2018 onwards.

Media

The communication strategy also includes online advertisements, button-advertisements, advertisements in printed magazines and notification of the event on the websites of the supporting media partners.

The event will be equally supported in the blogs, trade press, newsletters, websites and twitter of the international media partners.

Venue

The conferences and expo takes place at Brightlands Chemelot Campus Sittard-Geleen, The Netherlands.

Participants and partnerships options

The Expo is the perfect platform for exchanging knowledge and experience. Join us and become partner and exhibitor in this unique event. Exhibiting at the Expo gives you access to a selective audience from 2 dedicated conferences.
